

Guides & Catalogs

Sign Holders, Hooks

FFr's 2005 Yellow Pages catalog features more than 1,700 merchandising and display products, including new banner hangers and accessories, sign holders and product merchandising and display construction components. The products are presented in eight categories, color-coded for quick reference: data strip label holders, shelf management systems, sign holders, product merchandising, hooks, display construction, ceiling display systems and literature holders.

Fluorescent Tube Products

Way-Light offers a catalog, available in English or German versions, describing the Light-Stick and Way-Light lines of colored, deco-style fluorescent tube products. Featuring a patented integrated power supply, the streamlined lights are available in six sizes and nine colors for indoor and outdoor use. With no external ballasts or power supplies, the lamps can be displayed virtually anywhere. Charts featuring technical data including brightness, weight, wattage and power consumption also are included.

P-O-P Plastics

A variety of plastics for design and display are featured in a literature packet from Curbell Plastics. A chart outlines the benefits of various heavy-duty plastics. Reference sheets list the company's full line of plastic and P-O-P products and describe the company's services. Reference cards feature plastics suitable for graphics, design and displays, such as vinyl, polyethylene and acrylic material.
